

The Cambridge Executive MBA 2018 programme schedule*

The Cambridge Executive MBA is a 20-month programme delivered over 16 weekends and four week-long sessions. It is designed so that you can continue working whilst earning a Cambridge degree. The programme requires only 34 days out of the office over the 20-month period. Between study periods in Cambridge, participants are fully supported and engaged in the programme through the Virtual Learning Environment.

After graduation, Executive MBA alumni can choose to return to Cambridge to take one elective a year (free of charge) alongside current Executive MBA participants. This is an opportunity for alumni to keep abreast of the latest research and thinking and catch up with former colleagues.

Weekend schedule

A typical weekend schedule for the programme is provided below. Teaching sessions begin in the morning on Friday, with the final session finishing late afternoon on Saturday.

As part of the assessment for the Executive MBA you are required to sit four examinations. These take place on Friday mornings (normally 09:00-12:00) and on the days these take place you will need to arrive 30 minutes before the start of the exam. The examination dates will be provided when you start the programme.
