

UNLOCKING POTENTIAL THROUGH EDUCATION

Who are we?

Spark Finance democratises education by removing the financial barrier to studying at the world's leading universities. Through democratisation we unlock potential through education.

Studying at Oxford University opened up a world of possibilities. Thanks to Spark, not only was I able to study at this world-leading university but I could do it without adding financial stress to my family.

James, Oxford University,
Masters in Public Policy

We help

Students study at the world's best universities and focus on their studies whilst there

Friends and family by alleviating financial pressure

Universities access the world's best talent

What we do

We provide financial assistance to ANZ undergraduate and postgraduate students studying overseas at leading universities.

How it works

Student attends university and receives world-leading education

Student commences repayments 6 months after completion of degree

Spark pays students' tuition fees directly to the university

Key features

Earn up to a **2% discount** of your interest rate

No penalty fees for **early repayment** and **no monthly service fees**

No **collateral** required by borrowers
