Overview

Cambridge Judge Business School (CJBS) provides several scholarships and bursaries to MBA students each year. We actively seek to admit people from all backgrounds, countries, cultures, identities and orientations to each Cambridge MBA class. There are various initiatives and scholarships in place to support this recruitment goal, and to build an active, engaged and supported community through the MBA experience and beyond.

We have grouped these scholarship initiatives into the following categories:

Scholarships for:

- Academic achievement
- Sector of work experience
- Women
- Nationality
- LGBTQ+ Community
- CJBS bursaries

All scholarships and bursaries are awarded before the start of the academic year. No funds can be awarded after the school year has started, and candidates should not make financial plans assuming that they will receive funds after they have started the programme.

Please also be aware that although the expected fund amounts are listed in this brochure against each scholarship, actual funds awarded are subject to change at the discretion of the admissions committee, dependent on number of applications.
How to apply for Cambridge MBA scholarships

IMPORTANT: Cambridge Judge Business School scholarships are not offered in every round, so please read this document carefully to understand the deadlines for each scholarship.

Step 1: please select which scholarships you are interested in/eligible for on the MBA application form.

Step 2: wait to hear from us. If we invite you to interview, we will inform you of next steps, depending on the scholarship you are eligible for and the application process it requires.

There are four different sets of scholarships available to MBA applicants.

1.1 Cambridge Judge Business School funded scholarships with no formal application process

Most of these scholarships have no formal application process: candidates whose profile fits the eligibility criteria stated will automatically be considered by the Scholarships Committee. Successful candidates will be notified at the time of offer, should you be successful after interview.

These are:

- The Cambridge Judge Dean’s Scholarship for Outstanding Academic Achievement
- Wider Cambridge: The Cambridge MBA Scholarship for Regional Diversity
- Wider Cambridge: The Cambridge MBA Scholarship for Professional Diversity
- The Cambridge MBA Professor Nick Oliver Scholarship for UK Nationals
- The Cambridge MBA Scholarship for Entrepreneurs
- The Cambridge MBA Scholarship for Technology Advancement

1.2 Cambridge Judge Business School funded scholarships with a formal application process – you can apply if we invite you to interview.

These are:

- The Cambridge MBA Scholarship for Military Veterans
- The Cambridge MBA Professor Jochen Runde Scholarship for South African Nationals
• The Forté Foundation Fellowship
• The Cambridge MBA ROMBA Fellowship for the LGBTQ+ Community

Applications for these scholarships are made via video using the Kira Talent platform. You do not apply for these at the time of your MBA application though – when you complete your online application, you will be asked to just indicate which scholarships you would like to apply for.

If we contact you to invite you for interview, **then you will be sent the details of how to access the scholarship application portal** and how to submit your video application for the relevant scholarship.

You will be required to submit your video application before you attend your interview – that period will normally be two to three weeks after receiving your interview invitation.

You will be informed of the outcome of your scholarship application around the same time as receiving the outcome decision of your MBA application interview, should an offer be given.

1.3 Scholarships funded by wider University of Cambridge sources (external to Cambridge Judge Business School)

Please read this document carefully to see the specific application procedures for each individual scholarship. They may have different requirements and different dates.

These are:

• St Catharine's Benavitch Scholarship for Cambridge MBA students
• Sidney Sussex Joyce Coutu Scholarship for Cambridge MBA students

Scholarships funded by external sources.

These are separate to CJBS and the University – please [check this web page](#) under the section ‘External Scholarships’ for further information.
