

### The Global Executive MBA 2024 programme schedule\*

The Global Executive MBA is a 20-month programme delivered in week-long blocks, 4 of which are in Cambridge and two overseas, and 11 blocks of 3 half days live online (i.e. 33 half days with live online teaching). **The 'blended' structure** combines live online learning with in-person teaching in Cambridge and international locations, and is designed so students can operate around work schedules and participate from different time zones.

A typical week-long and online teaching schedule for the programme is provided below. For week-long teaching sessions, these begin in the morning on Monday, with the final session finishing late afternoon on Saturday. For online teaching sessions, these begin mid-morning on Thursday with the final session finishing mid-afternoon Saturday.

As part of the assessment for the Executive MBA you are required to sit examinations. These generally take place during one of your Cambridge teaching weeks. The examination dates will be provided when you start the programme.
