

The Cambridge Executive MBA

2027 Programme Schedule*

The Cambridge Executive MBA is a 20-month programme delivered over 16 weekends and four week-long sessions, across five terms. It is designed so that you can continue working whilst earning a Cambridge degree. The programme requires only 34 days out of the office over the 20-month period. The Cambridge Ecosystem in 2028 is optional and would require an extra three days out of the office. Between study periods in Cambridge, participants are fully supported and engaged in the programme through learn.jobs, our online learning platform.

Weekend schedule. A typical weekend schedule for the programme is provided below. Teaching sessions begin in the morning on Friday, with the final session finishing late afternoon on Saturday.

As part of the assessment for the Executive MBA you are required to sit examinations. These generally take place on specific Friday mornings and are likely to require you to be here earlier on those days. The examination dates will be provided when you start the programme.
